

Welcome

The Sunshine Coast Land Rover Owners Club was established in 1988.

New members are welcome.

Our aim is to promote the safe and responsible use of our Land Rovers while touring areas not accessible to conventional vehicles.

Members have a variety of vehicles from very early historic registered Series 1 Land Rovers to late Defenders, Discovery's and Range Rovers.

There are many benefits in joining including technical advice from club members about vehicle set up, repairs, maintenance and modifications, trips to places you may never ven-

Social Activities

Social events such as picnic days and restaurant meals are held occasionally. Towards the end of each year a Christmas party camping weekend is held, with Santa in attendance, games for the kids, and a Christmas dinner on the Saturday night.

Day trips and camping weekends

Twice a year members meet to plan the next 6 months of activities. There is usually one camping weekend or day trip each month and one social outing every two to three months.

The club sends information about trips and activities to members via email. Trips are discussed during monthly meetings and can also be found on the website and AULRO.

Trips are rated in the trip calendar as to the degree of difficulty of terrain expected. These can range from scenic drives on bitumen and gravel roads to the more challenging remote off road destinations.

Meetings

Meetings are held at the Old School House Nambour Showgrounds on the first Wednesday of the month (go in the main entry then turn left up the hill).

From time to time meetings are held at the premises of businesses that support the club.

There is no meeting in January.

Club Information

Information about the Club can be found on the Club Charter which is available on the website.

Join the club

If you would like to become a member, please fill in the application form on the reverse panel.

To find out about future activities or to join the mailing list please send an email to the secretary at the address below.

See our pages on AULRO and our website
